

## Plan a themed task

This activity gives you the chance to create a game, craft project, quiz or any task that other people can get involved in, making it fun to learn about the theme of reduce – reuse – recycle.

Plan an activity on the theme of **reduce – reuse – recycle**. This could be something that could be used with your peers or used by our Coordinators with school and uniformed groups. It could be a quiz, a game, an idea for a craft project or a competition. Share your activity with friends on WhatsApp or run it as a session for your eco-club, Scout group or after-school club. You could even send it to us so we can add it to the website for others to try out! <https://canalrivertrust.org.uk/contact-us/ways-to-contact-us>

Jot down some initial ideas below.

### Time:

- 60 minutes

### Resources:

- Pen & paper or iPad / phone / computer – basically somewhere you can write your ideas down!

*Individual or group activity*

### What kind of activity is this?

Please tick

Game
